BRIEF SUMMARY

I am Jayesh Ashok Chaudhari , a Final-year Computer Engineering student at D Y Patil University, Ambi, Pune. Currently, I am working as a Jr. Software Engineer Intern at Cravita Technologies Private Limited, where I actively contribute to software development projects.

Previously, I gained valuable experience through internships with:
1)Salesforce (GTS Solution) — Focused on practical industry solutions.
2)Google AI-ML Virtual Internship — Explored AI/ML concepts and applications.
3)Altair RapidMiner Data Science Virtual Internship — Enhanced my data analysis and modeling skills.

I possess technical skills in:
1)Programming Languages: C, JavaScript
2)Web Technologies: HTML, CSS, Bootstrap, J-Query
3)Database Management: SQL, PL/SQL

I am passionate about Java Full Stack Development, AI, Software Testing . Currently, I am
leading a college project titled "AI Powered Student Assistant Chatbot", leveraging my technical skills to build intelligent solutions.
